

International Tax Services in North America and Worldwide

For any business with an existing international operation or considering expanding into a new market across North America, an understanding of tax services is essential. MGI offers tax, accounting, consulting, and audit services combined with national, regional, and international reach and resources. We provide the broad range of service offerings that you need when entering new North American and international markets.

MGI's team of national and international tax specialists and professional accountants has the expertise and dedication to ensure you receive the right advice to help you comply with ever-increasing tax laws and regulations. Whether you are a family office investing abroad; a foreigner moving to the U.S. or investing in U.S. real estate; an American moving internationally; or an entrepreneur from another country following your dreams of establishing a business in the U.S., our tax specialists can assist you with a wide range of services, including:

- U.S. tax treaties
- Foreign tax credits
- Transfer Pricing
- Withholding tax issues
- Form of doing business
- Controlled foreign corporation issues
- Taxation of expatriates working abroad
- Taxation of nonresident aliens working in the United States
- Property transfers to and from foreign corporations
- Interest charged domestic international sales corporation (IC-DISC)
- Audits of domestic companies with foreign parents

Our dedicated MGI national and international tax specialists serve clients in over 80 countries. We can help you manage your tax strategy, planning, and compliance needs, while ensuring your personal objectives are met—we call this the MGI World Difference.
